No. 972/113 dn 2.

Sir,

Bangalore 30th July 1890.

I have the honor to state that in June 1889, on a visit to Mysore, I found that the Policemen of the Town were not properly clothed. I called the Deputy Commissioner's attention to it. Thereupon, it appears that the Superintendent of Police got certain articles of clothing to be furnished. A balance of Rs. 516-4-" was due on this account which I have advanced from the funds at my disposal for the Provincial Police clothing and equipment. The Deputy Commissioner of Mysore whom I addressed on this subject has forwarded copy of a reply from the Vice-President of the Municipality. I submit for information copy of the Deputy Commissioner's Communication (No. 909 date 13th June 1890) in which the absence of provision in the budget is urged.

2. The Mysore Municipality provides only a sum of Rs. 1200 for the annual equipment and clothing. To the

Bangalore

Bangalore Town Police, the strength of which is the same as that of Mysore, I have been obliged to supply clothing at an annual cost of not less than Rs. 2500. It will, therefore, be clear under what disadvantages the Mysore Police is laboring as regards its equipment and clothing.

3. In this office No. 352/57 dated the 6th May 1887, I submitted for the sanction of Government a set of rules which had for their object the regulation of the relations between Municipal Boards maintaining town Police Force and the Departmental Heads. If those rules had been sanctioned, it would have been rendered obligatory on the part of the Mysore Municipality to make an adequate provision for the requirements of the Police. My communication on the subject remains undisposed of. In my letter No. 698/144 + 2791 dated the 15th July last, I urged again the unsatisfactory state of things and suggested that as in the case of the Bangalore Town, the Police of the Mysore Town should be transferred to the Provincial charge, the Municipality getting in its stead certain other items of expenditure. No orders have been communicated to me on my letter.

4. I beg to submit that it is of great importance that some satisfactory settlement of the question should be arrived at and I beg that early orders may be issued

on

on my former proposals. I have to request further that a supplemental budget for Rs. 576-4-0 may be required from the Mysore Municipality and sanctioned with a view to meet the item which I have advanced.—

Your docket No. 358/36 dated 19th May 1890.

In reply, has the honor to forward copy of docket No. 99 of the 28th Ultimo fr the Vice President, Municipal Board, Mysore, from which it will be observed that a provision of Rs. 1,200 was made in the Municipal Budget for the yea 1888-89 and 1889-90 and that a similar provision is made in the curren years Budget also for the clothing of the Mysore Town Police.

2. A statement received from the Town Police Inspector shewing the dates on which different clothing and equipments were supplied to the Town Police is herewith submitted.

3. The clothings and other equipments, for which the late Superintendent Mr. Raghava Charlu claims payment, have, it is reported, been actually supplied to the Town Police men. With regard to the payment of the amount, as the vice President says that no provision has been made in this years Budget to meet the amount, a supplemental Budget may be requested to be sent by the Municipality and if this is not feasible it may be paid out of the Provincial Budget.

The report called for in his docket No. 572/53 dated 24th June 1889, regarding the additional number of men required for the Mysore Town, owing to the extension of the Town, has been already replied to (vide this office letter No. 2830 dated 10th March 1890) to which the favor of an early reply is solicited.

Dated Bangalore 20th August 1890.

Sir,

With reference to the Proceedings of Government transferring the charges of the Mysore Town Police to the Provincial Revenues, I have the honor to submit for orders a requisition from the Deputy Commissioner, Mysore, for clothing for the men including those newly sanctioned in Government Proceedings No. 2840-2/302 dated 3d Instant, Estimate A relates to the former strength of the Police Force and B to the sanctioned addition.

2. With regard to estimate B there is no question about the necessity of supplying clothing to the men to be newly entertained. The estimate is according to the scale of equipment provided for the Town Police of Bangalore. In dealing with the estimate A, I have to bring to notice that the Mysore Municipality having provided only Rs. 1200, and this sum falling far short of the present requirements, it has not been possible to clothe the Town Police for the current year. I have already urged that the Mysore Town Police have not been regularly supplied with clothes. I beg to invite attention to my letter to you No. 3931-472/113 dated 30th Ultimo, and I submit copy of a letter (No. 572/53 dated 24th June 1889) I addressed in the matter to the Deputy Commissioner of Mysore in June before last.

Yl

The amount provided by the Municipality being far below the wants the municipal Police has never been getting its clothing according to the requirements. At present the men have an old somewhat worn out Khaki suit supplied a year ago and a serge suit which was supplied to them at the time of the visit of His Royal Highness Prince Albert Victor and which, owing to the very short time in which it had to be supplied and in consequence of our having had to purchase serge in the Madras and Bombay markets in a hurry, has turned out to be an inferior stuff. At the forthcoming Dusserah unless new clothing is supplied the Police of the Mysore Town will not be in a neat trim. If the municipality had provided funds regularly year after year, there would have been no occasion for this complaint.

3. Out of the sum of Rupees 1200 provided for clothing Rs. 516 and odd already advanced for last year's clothing has to be met. The balance of Rs. 684 is available. I beg, therefore, that a sum of Rs. 8000/- may be sanctioned for clothing. The Dusserah is approaching and very early measures will be required to be taken for the supply of clothing. I have accordingly to solicit very early orders.

4. I may add that the budget grant of Rs. 30,000 for equipment and clothing was only for the Provincial Police and it did not anticipate the wants of the Mysore Town Police the charges of which have been hitherto borne by the Municipality. Out of Rs. 30,000 provided for the equipment of the Provincial Police we have spent nearly 25000 Rupees and we will have to expend the balance in keeping up the usual supply of necessary articles.—

I have the honor to be

Your most obedient Servant.
